AMERICAN ASSOCIATION OF UNIVERSITY WOMEN

OUR MISSION: TO ADVANCE EQUITY FOR WOMEN AND GIRLS THROUGH RESEARCH, EDUCATION AND ADVOCACY

OUR VALUES: NON-PARTISAN. FACT-BASED. INTEGRITY. INCLUSION

OUR VISION: EQUITY FOR ALL

The American Association of University Women (AAUW) is the nation's leading voice promoting equity and education for women and girls. Since our founding in 1881, AAUW members have examined and taken positions on the fundamental issues of the day—educational, social, economic and political.

What started with 17 like-minded women has grown into a powerful network that has influenced—and at times shaped—the debate over equity in education.

Since its first meeting in 1881, AAUW has been a catalyst for change. Our non-partisan, nonprofit organization has more than 170,000 members and supporters across the United States, as well as 1,000 local branches and over 800 college and university partners.

As an example of AAUW's influence, on February 12, 1909, seven of the nine women who signed the charter to found the National Association for the Advancement of Colored People (NAACP) were AAUW members. AAUW influence continues today.

ADVOCACY

Women still don't have fair pay, and they won't until 2152 at the current rate of progress. AAUW is women's voice to see that this happens sooner.

EDUCATION

AAUW awards millions of dollars every year to help women publish their own revolutionary discoveries, fight sexism on campuses, and even cure cancer. Be a part of history in the making.

COMMUNITY

A friendly community is right at your fingertips. Our network grows every year as we bring AAUW to more women and girls around the globe.

LEADERSHIP

You provide the voice. AAUW provides the megaphone. Let us amplify your voice from the statehouse to Capitol Hill—or take the reins in your community by leading your local affiliate, facilitating salary negotiation workshops, or honing your leadership skills through our webinars.

WORKPLACE

There are too few women in the highest paying fields and too few resources for them once they get there. Use AAUW's research and online tools to advocate for equality in the workplace.
